Thank you for your interest in applying to enrol your child in a Western Australian public school.

Enrolment in a public school is a two-step process.

Step 1: Enrolment Pack Part A – Application for Enrolment

Step 2: Enrolment Pack Part B – Enrolment (includes Parent information about enrolment in a Western Australian public school and the Enrolment Form)

The school will notify you of the results of your application as soon as possible. The information you have provided will be used by the school once eligibility is confirmed.

Documentary evidence, including court orders relating to your child, may be required to support information supplied. Principals may consult with the Education Regional Office where sufficient evidence has not been supplied. All official records must be in the child's **legal** name. The use of a preferred name may be possible for informal communications.

It is highly recommended not to purchase items such as uniforms until you receive confirmation of enrolment.

Applications to local-intake schools (compulsory years of schooling)

Where the school has a local-intake area, an eligible child whose place of residence is within that area is guaranteed enrolment in the compulsory years of schooling (Pre-primary to Year 12).

Children whose usual place of residence is not in the local-intake area are accommodated where possible. If the school has further capacity to accommodate children from outside the local-intake area, after making provision for local-intake area needs, the following selection criteria are to be applied in considering applications for enrolment:

First Priority	Second Priority	Third Priority
Child qualifying for an approved specialist program for that year.	Child who has a sibling also enrolled at the school in the current year, (other than siblings enrolled in specialist programs), and who lives nearest the school.	Child who does not have a sibling enrolled at the school in the current year, or who has a sibling enrolled in a specialist program, and who lives nearest the school.

Disclosure of information

For parents of students with disability

In order to provide an appropriate education program the school may require specific information relating to your child's disability and personal needs to enable the school to make any necessary teaching and learning adjustments. The school may also use the information you provide when applying for specialist resources or services and/or supplementary funding to support your child's education.

Suspensions and exclusions

Information on any suspensions and exclusions needs to be provided to the school at the time of applying to enrol. This information will help the school to provide your child with any support that may be required.

Children currently under suspension from a public school cannot be enrolled at another public school until the suspension period expires.

Children who have previously been suspended or excluded from a public school may be required to enter into a behaviour agreement with the school if enrolment is accepted.

Confidentiality

All information provided on this form will be treated confidentially. Section 242 of the *School Education Act 1999* precludes this information from being used for any purpose other than: to determine whether your application for enrolment can be accepted; to assist the school with addressing any needs for your child if enrolment is accepted; and to comply with legal requirements or ministerial directions.
