

## **BECKENHAM PRIMARY SCHOOL**

### **VOLUNTARY CONTRIBUTIONS AND CHARGES 2025**

The Department of Education's policy on Contributions, Charges and Fees requires schools to outline the schedule of contributions and charges for 2025. The Beckenham schedule is broken into three sections and will allow you to calculate all costs that may be incurred throughout the 2025 school year.

#### ***1. Contributions***

The total amount of voluntary contributions parents and carers are being asked to pay has been calculated and endorsed by the School Board as \$50 per child. Money collected will be used to supplement school expenditure in the areas listed below. The actual costs per child are shown in the table beneath. While contributions are voluntary, the quality of our teaching and learning program will be maximised when each family contributes to the cost of supplementing funding gained from other sources, including the State and Commonwealth Governments. *Voluntary contributions can be paid in full or alternately you may wish to organise a payment plan. Please feel free to visit the office and ask.*

Your child will need to have the items listed in their possession each school day in order to maximise participation in the learning opportunities/activities presented. It may be necessary to replace some items during the school year.

We have negotiated competitive prices for high quality materials through Campion Education. While you are not obliged to use our preferred supplier, we encourage you to give consideration to supporting a local company that provides quality products and service and a commission on sales to the school.

Yours faithfully,
